

NDMRB Departmental Safety Advisory (DSAC) Committee members

<p>Paul Brennan <i>Head of DSAC</i></p> <p>paul.brennan@sgc.ox.ac.uk</p>	<p>Paul is primarily based in the NDM Research Building as a Principle Investigator for Medicinal Chemistry and the division of the Target Discovery Institute and Structural Genomics Consortium.</p>	
<p>Lucy Dorrell <i>Departmental Head of DSAC</i></p> <p>lucy.dorrell@ndm.ox.ac.uk</p>	<p>Lucy is an Associate Professor, Senior Clinical Research Fellow and Honorary Consultant in Genitourinary / HIV Medicine at the Nuffield Department of Medicine. Her research group is based in NDMRB</p>	
<p>Seph Borrow <i>Head of GMSC</i></p> <p>persephone.borrow@ndm.ox.ac.uk</p>	<p>Seph is a Senior Fellow at the University of Oxford and heads a research group within the NDM Research Building which concentrate on vaccination strategies.</p>	

<p>Zuzana Bencokova <i>Departmental (building) Safety Officer, Biological Safety Officer & Senior Radiation Protection Supervisor</i></p> <p>zuzana.bencokova@ndm.ox.ac.uk</p>	<p>Zuzana is Laboratory Manager to all Groups based in the NDM Research Building.</p>	
<p>Julie Hamilton <i>Divisional Safety Officer (DivSO)</i></p> <p>julie.hamilton@medsci.ox.ac.uk</p>	<p>Julie is a DivSO for Clinical Dep of the Medical Sciences Division. Her role is also to help Heads of Dep fulfil health and safety responsibilities and ensure compliance with University Safety Policies.</p>	
<p>Graham Ross <i>Divisional Safety Officer (DivSO)</i></p> <p>graham.ross@medsci.ox.ac.uk</p>	<p>Graham is a DivSO for Clinical Dep. of the Medical Sciences Division. His role is to help Heads of Dep fulfil their health and safety responsibilities and ensure compliance with University Safety Policies.</p>	

Nuffield Department of Medicine Research Building, University of Oxford, Old Road Campus, Headington, Oxford OX3 7FZ

Eleanor Booth-Davey
Divisional Safety Officer (DivSO)

eleanor.booth-davey@medsci.ox.ac.uk

Eleanor is a DivSO for Clinical Dep of the Medical Sciences Division. Her role is also to help Heads of Dep fulfil health and safety responsibilities and ensure compliance with University Safety Policies.

Tracey Mustoe
OU Assistant Biological safety Officer

tracey.mustoe@safety.ox.ac.uk

Tracey is a member of the University Safety office overseeing the compliance governance, training and safe working with pathogen, genetically modified organisms and other biological agents.

Andrew Thompson
OU Biological Safety Officer

andrew.thompson@safety.ox.ac.uk

Andrew is a member of the University Safety office. Overseeing the compliance, governance, training and safe working with pathogens, genetically modified organisms and other biological agents.

Nuffield Department of Medicine Research Building, University of Oxford, Old Road Campus, Headington, Oxford OX3 7FZ

<p>Paul Kayente <i>OU Radiation Protection Supervisor</i> paul.kayente@safety.ox.ac.uk</p>	<p>Paul is a member of the University Office appointed to advise the Heads of Departments, committees and senior management on radiation protection and compliance with relevant health and safety and environmental legislation concerning the University's work with ionising radiation.</p>	
<p>Darren Blase <i>Building Fire Officer</i> darren.blase@ndm.ox.ac.uk</p>	<p>Darren is the Building and Facilities Manager for the NDM Research Building.</p>	
<p>Ross MacRae <i>Deputy Departmental (building) Safety Officer, Deputy Biological Safety Officer, Deputy Building Fire Officer and Electrical Safety Officer (building)</i> ross.macrae@ndm.ox.ac.uk</p>	<p>Ross is the Building and Facilities Officer, offering building and laboratory support to NDMRB and is part of the facilities team.</p>	

Nuffield Department of Medicine Research Building, University of Oxford, Old Road Campus, Headington, Oxford OX3 7FZ

Katherine England

Chemical Safety Supervisor

katherine.england@ndm.ox.ac.uk

Katherine is a Postdoctoral Research Scientist working on drug discovery projects for dementia in the Brennan group as part of the Alzheimer's Research UK Oxford Drug Discovery Institute. She has extensive experience of working in medicinal chemistry in both academic and industrial laboratories.

Elena Brenna

Radiation Protection Supervisor

elena.brenna@ndm.ox.ac.uk

Elena is a Postdoctoral Research Scientist for the McMichael Group based in the 1/F of the NDM Research Building.

Hongbing Yang

CL3 Supervisor

Staff Representative – 1st floor

hongbing.yang@ndm.ox.ac.uk

Hongbing is a Senior Postdoctoral Researcher for the McMichael Group and the manager of containment level 3 laboratory at NDM Research Building.

Nuffield Department of Medicine Research Building, University of Oxford, Old Road Campus, Headington, Oxford OX3 7FZ

<p>Catherine Rogers <i>Staff Representative</i> catherine.rogers@ndm.ox.ac.uk</p>	<p>Catherine is a Research Assistant for the Huber group. Research explores cellular signalling networks by the development of specific chemical probes and chemical biology approaches.</p>	
<p>TBC <i>Scientist with expertise in lentivectors</i></p>		
<p>Mona Bafadhel <i>Scientist with expertise in bacteria</i> mona.bafadhel@ndm.ox.ac.uk</p>	<p>Mona is a Principle Investigator on the 1st floor in the NDM Research Building and is a Senior Clinical Lecturer in Respiratory Medicine.</p>	

Nuffield Department of Medicine Research Building, University of Oxford, Old Road Campus, Headington, Oxford OX3 7FZ

<p>Becky Norris <i>Staff Representative (Admin)</i></p> <p>becky.norris@ndm.ox.ac.uk</p>	<p>Becky is the Business Manager maternity cover for the NDMRB and BDI. She also manages the Finance and HR team.</p>	
<p>Paulina Siejka <i>Student Representative (ground floor)</i></p> <p>paulina.siejka-zielinska@kellogg.ox.ac.uk</p>	<p>Paulina is a DPhil Student in Chunxiao Song's Group based on the Ground Floor.</p>	
<p>Julie Adam <i>Staff Representative (ground floor)</i></p> <p>julie.adam@ndm.ox.ac.uk</p>		

Nuffield Department of Medicine Research Building, University of Oxford, Old Road Campus, Headington, Oxford OX3 7FZ

Thomas Christott

*Rep for University and College
Union*

thomas.christott@ndm.ox.ac.uk

Thomas is a Research Assistant for Oleg Fedorov's Group based in the 2nd Floor of the NDM Research Building.
